Annual Reports of IQAC 2022-23

Objective:-

The prime objective of IQAC to establish a system for conscious, constituent and catalytic activity and action for overall improvement of Academic and Administration performances of the institution.

Vision:-

The IQAC (Internal Assessment Assurance Cell) is formed to work towards quality sustenance and enhancement of academic, administration and overall performance of the institute. The IQAC is formed in accordance with the guidelines of the NAAC.

Mission:-

- To develop a system this targets the improvement of principal stakeholder's i.e Staff and Students.
- To promote innovative practices the improves the effectiveness of the teaching – learning process.
- To uphold the goals of quality enhancement and organizing curricular and extracurricular programs in the campus.
- To promote learners centric environment for staff and students.

Functions:-

1. Development of parameters of various academic and administrative activities of the institution.
2. Dissemination of information on various quality parameters of higher education.
3. Organization of workshops, seminars and quality related themes.
4. Documentation of various programmes / activities leading to quality improvement.
5. Preparation of the Annual Quality Assurance Report (AQAR) to be submitted to the NAAC based on quality parameters.
6. Administering feedback mechanism in the college.

Awareness Programme on social equity:-

Awareness programme for students was organized in the month of September (15-09-2023). The topic of the programme was International Day of Democracy. The programme was organized by Internal Complaints Committee and Department of Social Work by the recommendation of the IQAC.

PRINCIPAL

S.B.C.S. Arts, S.V. Commerce &
Science College, Humnabad, Dist. Bidar

Governance Initiatives:-

Admission process for NEP students was completely online including personal interactions with candidates and parents. The payment of fee is also altogether online. The student's scholarship programme, applying and payments to students are completely online.

Alumni meet with the 2003-04 batch Students.

With the initiatives of the IQAC of our college the students of 2003-04 organized a Guru Vandana Programme in the month of January 2003. The outcome of Alumni meet was outstanding. The Alumni Students promised to unit and help the college present students for overall development of their career. They also assured to provide some financial assistance.

Financial support to organize events.

IQAC supported academic departments with financial initiatives to organize events that would improve quality at various levels. Academic departments are supported to organize seminars, conferences workshops and training programmes.

SWOC Analysis and NAAC Report Analysis:-

IQAC organized strengths-weakness-opportunities-challenges (SWOC) analysis of SBCS Art's, SV Com. & Sci. College Humnabad. It is a tool for quality improvement at academic and administrative levels. The CCM (College council management) and IQAC and the entire faculty got involved in the SWOC process.

:- Feedback Mechanism:-

Feedback on Curriculum

Feedback on the activities curriculum i.e feedback on syllabus by the students and teachers was collected from all the departments of our college. The analysis report was prepared and submitted to the HOD's of all departments. The HOD and Principal discussed and conferred the report.

Chart -1: Students feedback on curriculum and syllabus

Chart -2: Teachers feedback on curriculum and syllabus

The analysis report was posted to college website. Discussion regarding the recommendation and suggestions put forth by the stakeholders were taken by the respective departments. The action taken report was submitted to IQAC.

Feedback on teachers and teaching:-

Feedback on teachers and teaching- learner's process in the college was taken from the students. The input of the feedback was analyzed and evaluated. The IQAC
